

2003

Rowing

The year commenced with the completion of the 2002-2003 rowing season. Riverside swept to victory in most of the events they entered. A highlight was the number of shields won in the School's Championships at Lake Barrington earlier this year. These were:

Girls U/15 Quad : Hannah , Emma and Kate (Lindsay Isabelle

Boys U/15 Double Scull: Alex and James

Boys U/15 Single Scull: James

Many other crews and individual rowers gained second and third places.

At the Henley and Launceston Regatta crews were similarly successful with seven first places.

The school would like to thank the many coaches from the Tamar Rowing Club for their support. Without this help rowing at Riverside High would not be possible. Thanks to coaches: Chris Symons, Alan Kitto, Alan Howard, Russell Hibbs, Darrel Fowler, Mark James, Greg Willson, Jeff McMahon, Jo Clarke, Rik Bryan and Jeff McMahon.

New equipment was purchased to help the development of rowing. The new quad scull, "Bust a Move" was christened in the school assembly. A new coaches boat (thanks to the Riverside High School Parents and Friends) was put into service and many parents raised money to purchase a new cox box.

The school looks forward to a successful 2003-2004 season which has now started.
